

**The goal of the staff at Moore School is to enable students to meet grade level expectations in reading, writing, speaking, listening, and mathematical concepts and problem solving. We are committed to working with students and parents to help students learn the necessary skills to meet these goals**

**The staff at Moore School will:**

- provide high quality curriculum and research-based instruction in a supportive learning environment that meets individual needs of students
- hold high expectations for all students academically and behaviorally
- accelerate each child's reading, writing, and/or math skills by providing quality instruction including Title 1 services to support classroom instruction
- establish a safe and nurturing environment so students can focus on learning
- keep parents and students informed of progress made through a variety of ways such as monthly newsletters, conferences, phone calls, and progress reports
- provide information about math and language arts standards and activities that parents and children can do together at home to support learning
- encourage parents to participate in their children's learning
- encourage a positive partnership to help students reach their maximum potential
