## Administrators' Message to Parents and Students

On behalf of the entire staff of the Henry W. Moore School, we would like to extend a warm welcome to both new and returning students. It will be exciting to see our Moore School students at the start of the 2017-2018 school year and we hope you are as excited and enthused about the new school year as we are.

The purpose of this handbook is to provide information to both parents and students regarding procedures, programs, and policies at your school this year. Several areas addressed in the handbook will also be discussed in your child's classroom. We encourage you and your child to review the handbook together as well.

We believe parents; guardians, teachers, administrators and students working together create a positive learning environment and a successful educational experience. We insist that you think of Moore School as your school! Your participation, input, and concerns are important in helping us decide which programs will provide your child with the best education. We encourage you to work closely and cooperatively with your child's teacher and take the opportunity to become involved in our school in a variety of ways.

We hope that you will find this handbook informative and helpful. Should you have any questions or concerns about your child's progress during the year, please do not hesitate to contact your child's teacher. We strive for effective communication with parents and our goal is to work together to achieve our mission at Moore School - the highest possible quality education for your child!

Sincerely,

The Moore School Team

## **SAU #15: Auburn, Candia, Hooksett Core Values**

### *Our Schools, Our Students, Our Charge*

#### **Core Value # 1**

Schools are for students. All interactions with them must nurture their social, emotional, and academic growth. It is our responsibility to accept all students and treat them with kindness and respect; we are tolerant and non-judgmental. Our decisions are based on what is best for them. We take responsibility for ensuring the success of our students despite the challenges they may face.

It is our responsibility to foster an environment of respect through interactions with each other, parents, and our educational community. Parents are partners in the educational development of their children and are deserving of our acceptance and support. Additionally, all members of our staff are committed to working professionally with each other.

#### **Core Value # 2**

Students meet and exceed high academic standards. Our high expectations demand varied and rigorous learning experiences that enable students to think critically, work collaboratively, communicate effectively, and act with integrity. Every student is unique and has different abilities, needs, and learning styles that require varying instructional techniques and strategies. Student success is ensured through the use of purposeful, research based, data informed instruction. We continuously build and maintain the knowledge base and collaborative culture required for high levels of performance for all members of the learning community.

#### **Core Value # 3**

We each have the responsibility to ensure the success of all students. The needs of all learners are met when outcome based learning occurs and when students, teachers, and policy makers are empowered by data. All students learn when their passions and talents are coupled with high expectations and academic rigor in a safe and caring environment.

#### **Core Value # 4**

Twenty-first century instruction is necessary for twenty-first century learning. All members of our learning community hold the responsibility to value technology and achieve technological proficiency to prepare our students for future jobs, which currently may not exist. Customizable learning tools are used to access information and leverage each individual's learning style. With these technological skills, our students will be prepared to participate in the global community and compete in the global marketplace.

#### **Core Value #5**

We believe that it does, in fact, "*take a village to raise a child*". We have a unique opportunity and an obligation in our homes, our community, our businesses and our schools to influence the learning outcomes of our children. These collaborative partnerships within the community foster thoughtful and relevant learning, promoting the growth of each child.

## **II. SCHOOL OPERATING PROCEDURES**

Please refer to our school calendar showing the days school will be in session as well as those days devoted to vacations, workshops, holidays, etc.

Any emergency changes will be posted to our website and announced by the TV/radio stations listed below. If the change occurs during a school day, we make every effort to contact parents or emergency contacts listed on the student card.

The calendar is posted on the school website: <http://www.candia.sau15.net>

### **CANCELLATIONS / DELAYED OPENINGS / EMERGENCY DISMISSALS**

1. **No School or Delayed Opening** announcements will be made by radio on WGIR (610AM), WZID (95.7FM), WKXL (1450AM), WFEA (1370AM), WOKQ (97.5FM), WEVO (89.1FM), WJYY (105.5FM), WNNH (99.1FM) and by television on WMUR channel 9.

*The school does use an 'automatic dialer' as a courtesy telephone call to the home phone number listed for the student. Please ensure that main office has correct numbers for both home and emergency purposes.*

2. All school delayed openings are for **2 hours**. When this occurs, students should be picked up at their bus stops **2 hours** later than normally scheduled.

*For example: A regularly scheduled pick up of 7:40 would occur at 9:40.*

School would begin at 10:20 rather than 8:20.

3. In the very rare case that students should be sent home early due to inclement weather or other school emergency, announcements will be made on the same radio and television stations. Students will be afforded the opportunity to call home. A message will be sent through the Moore School automatic dialler.

*Parents are advised to make arrangements in advance with their children in case of early dismissal.*

*It is imperative that the Emergency Information card/sheet be completed accurately at the beginning of the school year. If there are any changes during the school year, please communicate immediately with the main office.*

### **Candia Students Attending Manchester High Schools or Pinkerton**

1. Should school be cancelled in Candia but not in Manchester or Derry, there will be no **high school transportation**.
2. Should the delayed opening procedure be in effect in Candia, but not in Manchester or Derry, school transportation will be **90 minutes** later than normal to Manchester.
3. Should the delayed opening procedure be in effect in Manchester but not in Candia, high school transportation will begin at 8:30AM (at the conclusion of the elementary runs).
4. Should students in Candia be sent home early, but not in Manchester/Pinkerton, arrangements will be made to provide high school students with transportation by school bus from Manchester/Pinkerton prior to the Candia closing. Students in high schools will be notified through the high school intercom systems.

### **EARLY RELEASE DAY BUS SCHEDULE**

The following schedule will apply for all Early Release Days:

11:30	End of School Day
11:30	Grades K-8 First Bus Dismissal. Parent pick-up will be dismissed to the cafeteria.
11:45	Students riding the second bus run will be dismissed to the playground.
12:00	Second bus run begins (approximate).

Lunch will be provided to students on early release days.

**Evacuation drills** will be scheduled by the Principal or Assistant Principal during the school year. The purpose of an evacuation drill is to train students, under staff direction, to move safely, quickly, and quietly from any location within the building to an assigned evacuation area outside.

Adopted: April 6, 2000

**Emergency drills** are introduced to students by teachers in classroom settings before they are actually carried out. Teachers explain the circumstances in which an exercise will be needed, the safety procedures of the drill, and address questions the students may have about the drill. Traditional (fire drill, evacuation) and non-traditional (lockdown, reverse evacuation, shelter-in-place, offsite evacuation) drills will be practiced throughout the year.

Evacuation plans are posted in each classroom and in the hallways, displaying the route of evacuation from any particular room.

*Please refer to the 'Local Field Trip' form in the appendix.*

## **SCHOOL SECURITY**

To ensure the safety of our students and the security of our building, the doors are locked at all times. The main doors in the front of the school remain locked all day and visitors must be "buzzed in" by school personnel. The doors remain locked throughout the evening unless there is a scheduled school or community event scheduled.

All parents, visitors, vendors, and contractors **must** report to the office. A 'Visitor's Pass' will be provided when a person has reason to go beyond the office.

Individuals in the hallway or on the playground, without a pass in clear view, will be approached by any staff member and redirected to the office.

You will be requested to sign in, receive a pass, and return the pass when you sign out.

We are also requesting that parents not visit the classroom teachers between 8:10 AM and 3:00 PM due to the fact that the teachers are teaching, supervising student arrivals, and preparing students for dismissal.

### **III. ATTENDANCE PROCEDURES**

#### **ATTENDANCE**

The importance of punctual and regular attendance for every student is imperative to a quality education. Proper attendance has a direct effect on the educational process. Attendance is required by NH State Statutes.

#### **STATE LAW REGARDING ATTENDANCE AND TRUANCY**

State laws regarding attendance and truancy have changed. There are three individual RSA's relative to attendance, appointment and truancy. They are as follows: NH RSA 193.1 Duty of Parent; Compulsory Attendance by Pupil and the NH law relative to truancy: NH RSA 189 (189:34 Appointment, NH RSA 189:35 Truancy Defined and NH RSA 189:36 Duties). The Candia School Board revised the existing attendance policy in May of 2011 to address the current law. The Policy, JH, is below and can also be referenced on the school website at: <http://www.candia.sau15.net>

**CSD File: JH**

#### **CANDIA SCHOOL DISTRICT ATTENDANCE, ABSENTEEISM AND TRUANCY**

The Board requires that school-aged children enrolled in the District attend school in accordance with all applicable state laws and Board policies. The educational program offered by the District is predicated upon the presence of the student and requires continuity of instruction and classroom participation in order for students to achieve academic standards and consistent educational progress.

Attendance shall be required of all students enrolled in the District during the days and hours that school is in session, except that the Principal may excuse a student for temporary absences when receiving satisfactory evidence of conditions or reasons that may reasonably cause the student's absence.

The Board considers the following to be excused absences:

1. Illness
2. Recovery from an accident
3. Required court attendance
4. Medical and dental appointments
5. Death in the immediate family
6. Observation or celebration of a bona fide religious holiday
7. Such other good cause as may be acceptable to the Principal or permitted by law

Any absence that has not been excused for any of these reasons will be considered an unexcused absence.

In the event of an illness, parents must call the school and inform the District of the student's illness and absence. For other absences, parents must provide written notice or a written excuse that states one of these reasons for non-attendance. The Principal has the authority to request that parents provide documentation supporting the stated reason for non-attendance, and to render the absence unexcused if such documentation is insufficient.

If parents wish for their child to be absent for a reason not listed above, the parent must provide a written explanation of the reason for such absence, including why the student will be absent and for how long the student will be absent. The Principal will make a determination as to whether the stated reason for the student's absence constitutes good cause and will notify the parents via telephone and writing of his/her decision. If the Principal determines that good cause does not exist, the parents may request a conference with the Principal to again explain the reasons for non-attendance. The Principal may then reconsider his initial determination. However, at this juncture, the Principal's decision shall be final.

#### **Family Vacations/Educational Opportunities**

Generally, absences other than for illness during the school year are discouraged. The school Principal or his/her designee may, however, grant special approval of absence for family vacations, provided written approval is given in advance. Parents are asked to write a note to the Principal at least two weeks before the trip. The Principal will notify the child's teacher if the request is approved. This advance planning will allow the teacher enough time to work with parents and the student regarding homework completion.

**CSD File: JH**

## **Truancy**

Truancy is defined as any unexcused absence from class or school. Any absence that has not been excused for any of the reasons listed above will be considered an unexcused absence.

Ten half-days of unexcused absence during a school year constitutes habitual truancy.

A half-day absence is defined as a student missing more than two hours of instructional time and less than three and one-half hours of instructional time.

Any absence of more than three and one-half hours of instructional time shall be considered a full-day absence.

The Principal or his/her designee is hereby designated as the District employee responsible for overseeing truancy issues.

### **Intervention Process to Address Truancy**

The Principal shall ensure that the administrative guidelines on attendance properly address the matter of truancy by including a process that identifies students who are habitually truant, as defined above.

When the Principal identifies a student who is habitually truant or who is in danger of becoming habitually truant, he/she shall commence an intervention with the student, the student's parents, and other staff members as may be deemed necessary. The intervention shall include processes including, but not limited to:

1. Investigates the cause(s) of the student's truant behavior;
2. Considers, when appropriate, modification of his/her educational program to meet particular needs that may be causing the truancy;
3. Involves the parents in the development of a plan designed to reduce the truancy;
4. Seeks alternative disciplinary measures, but still retains the right to impose discipline in accordance with the District's policies and administrative guidelines on student discipline;

### **Parental Involvement in Truancy Intervention**

When a student reaches habitual truancy status or is in danger of reaching habitual truancy status, the Principal will send the student's parent a letter which includes:

1. A statement that the student has become or is in danger of becoming habitually truant;
2. A statement of the parent's responsibility to ensure that the student attends school; and
3. A request for a meeting between the parents and the Principal to discuss the student's truancy and to develop a plan for reducing the student's truancy.

### **Developing and Coordinating Strategies for Truancy Reduction**

The Board encourages the administration to seek truancy-prevention and truancy-reduction strategies along with the recommendations listed below. However, these guidelines shall be advisory only. The Superintendent is authorized to develop and utilize other means, guidelines and programs aimed at preventing and reducing truancy.

1. Coordinate truancy-prevention strategies based on the early identification of truancy, such as prompt notification of absences to parents.

Page 2 of 3

2. Assist school staff to develop site attendance plans by providing development strategies, resources, and referral procedures.
3. Encourage and coordinate the adoption of attendance-incentive programs at school sites and in individual classrooms that reward and celebrate good attendance and significant improvements in attendance.

## **Parental Notification of Truancy Policy**

Prior to adopting this policy, the Board will place the item on the agenda of a public school board meeting and will allow two weeks for public input as to the policy's provisions. Any public input shall be advisory only and final adoption as to the policy's provisions will remain solely with the Board.

Additionally, the Superintendent shall also ensure that this policy is included in or referenced in the student handbook and is sent to parents annually at the beginning of each school year.

*In order to attend the Candia school, students must be legal residents of the town of Candia.*

### **ABSENCES**

Regular attendance is essential for the continuous progress of your child in school.

Absences will be excused only for illness or sound, pressing, and/or unavoidable circumstances.

We request that appointments for outside activities and doctor's appointments be scheduled other than during school hours, if possible.

Parents/Guardians are required to call the school on those days when their child is going to be absent from school.

### **ATTENDANCE MONITORING**

1. On day(s) that your child will be absent from school, please call 483-2251 (press 7) to inform us of the absence. A message may be left on the school's answering device.
2. At approximately 8:30 AM each morning, the school secretary will check the absence list with the calls received. At that time, every effort will be made to contact the parent/guardian of those students who are absent without parent/guardian notification.
3. Every reasonable effort will be made to establish telephone contact on a daily basis with parents/guardians of students who are not in attendance at school.
4. In circumstances where parental contact cannot be made, the school may contact the police department regarding a child's absence.

5. When phone contact has not been established, written absence notes from parents may be required upon the child's return to school.
6. In addition, written absence notes are required for all absences of more than three days.

### **EARLY DISMISSALS**

The safety of our students is important to all of us. The Candia School Board, faculty, staff, and the Candia Police Department are particularly concerned about student safety before and after school, at arrival and dismissal times. The following procedures are designed to ensure a safe operation.

**No child will be dismissed from school until the parent has sent a note, on or before the date of the dismissal, to the Main Office requesting that release.**

CHILDREN WILL BE RELEASED ONLY TO THE PARENTS/LEGAL GUARDIANS OR A PERSON LISTED ON THE EMERGENCY CARD UNLESS OTHERWISE INSTRUCTED IN A NOTE OF RELEASE.

The person designated to pick up the child should be prepared to present identification.

### **End of Day Pickup/"Parent Pick-up"**

Students being picked up will be dismissed at the 2:45 bell *to the cafetorium*. A staff member will be at the gym door to check-off/release students.

- Pull into the front loop and swing out into the playground, turn around and **form a single line** from that point - down the side of the building, then across the front of the gym.

Please do not cause the line to back up into the street.

Be aware of oncoming traffic when turning into the school.

- If you are the first car to arrive, please pull forward to the end of the white lines designating 'pick-up' (this is just past the main entrance).

- To provide a safe environment for our students and avoid traffic congestion, please *remain in your car*.

We shall make every effort to dismiss your child promptly. Your cooperation expedites our efforts.

Please remind your child/children – daily – what their dismissal plans are.

A child may not ride home with anyone except his/her parents unless a note accompanies the child stating the name of the person and the relationship. Notes with

specific dismissal changes must be presented to the office at the beginning of the school day. In the event of an emergency telephone calls to change bus plans will be

accepted until 1:00 pm on the day of the change. The end of the day is a busy time; please plan accordingly for the safety of your child.

If you are picking up your child three or more days per week, please write a formal letter stating that your child will be picked up and by whom. This letter will be kept on file for the school year. From these letters, we build an 'end of day' dismissal list.

Children leaving school at other than assigned times or by assigned transportation must be picked up in the office. Under no conditions will a child be allowed to wait outside of the school building for someone to pick him/her up.

### **EMERGENCY INFORMATION**

Students will be given an Emergency Information Card at the beginning of the school year to be completed by parent/guardian. It is **imperative** that this card and form be filled out in detail. Should emergencies arise, it is necessary that we have contact information at hand, immediately, for each child.

Please contact the school as soon as possible if any of this information should change during the course of the school year (i.e. address, telephone number, parents work/cell numbers, or emergency contacts).

### **ENTRANCE AGE**

**CSD FILE: JEB**

A student may enter kindergarten if his/her chronological age will be five before September 30 of the year of entering school.

A student may enter grade one if his/her chronological age will be six before September 30th of the year entering school.

A birth certificate must be presented upon registration as proof of the date of birth.

Adopted: January 22, 1974  
Revised: May 8, 1990  
Adopted: April 5, 2001

### **HOMELESS STUDENT ADMISSION**

**(Excerpt from CSD File: JFABD)**

To the extent practical, and is required by law, the district will work with homeless students and their families to provide stability in school attendance and other services. Special attention will be given to ensuring the enrolment and attendance of homeless students not currently attending school. Homeless students will be provided district services for which they are eligible.

To the extent feasible, homeless students will continue to be enrolled in their school of origin while they remain homeless or until the end of the academic year in which they obtain permanent housing. Instead of remaining in the school of origin, the parent or

guardian of homeless students may request enrolment in the school where the student is actually living, or other schools according to the McKinney-Vento Act.

## **MCKINNEY-VENTO SCHOOL ENROLLMENT REQUIREMENTS AND NEW HAMPSHIRE DEPARTMENT OF EDUCATION HOMELESS DISPUTE RESOLUTION PROCESS**

The New Hampshire Homeless Children and Youth Program is responsible for ensuring that homeless children and youth are enrolled and attending school and have a full and equal opportunity to each the same high academic standards expected of all children. The McKinney-Vento Act, Section 722(g)(1)(C) requires each state agency establish procedures for the prompt resolution of disputes regarding the educational placement of homeless children and youth. The New Hampshire State Coordinator of the Education of Homeless Children and Youth Program is available to provide technical assistance, guidance, and mediation in the enrollment and dispute processes.

The New Hampshire General Court has enacted a statute that requires the education commissioner to determine which school a homeless student or youth will attend when that decision is not or cannot be made at the local level. The New Hampshire Department of Education has adopted the following policy to provide guidance to local school districts in implementing the dispute resolution process for homeless children and youth.

### *STEP ONE: School Enrollment*

School enrollment of a homeless child or youth shall be determined by the parent, guardian, student of lawful age, or unaccompanied youth. To the extent feasible the student will be enrolled in the school of origin. The school of origin is defined as:

- The school last attended by the child or youth when permanently housed, or;
- The last school in which the child or youth was enrolled.

If the placement in the school of origin is not feasible, or against the wishes of the parent, guardian, student of lawful age, or unaccompanied youth, the student will be enrolled in the school serving the community where the child or youth temporarily resides.

- In the case of an unaccompanied youth, the Local Homeless Education Liaison shall assist the youth in the school enrollment process.

### *STEP TWO: Enrollment Dispute*

Each school district shall have a policy for the resolution of disputes involving homeless children and youth. If an enrollment dispute develops regarding the enrollment options available under the McKinney-Vento Act, the child or youth shall be immediately admitted to the school in which enrollment is sought pending resolution of the dispute.

- Resolution of the dispute shall be facilitated by the superintendent of designee as expeditiously as possible in accordance with McKinney-Vento requirements and the local education agency (school district) dispute policy.
- If more than one school district is involved in a residency dispute, the respective superintendents shall jointly make such a decision.
- In the case of an unaccompanied youth, the Local Homeless Liaison shall assist the youth in the dispute process.
- A written explanation of the superintendent's decision regarding a school enrollment shall be provided to the parent, guardian, student of lawful age, or unaccompanied youth including a statement regarding the right to appeal the decision to the commissioner of NH Dept. of Education.

### *STEP THREE: Appeal Process*

When an agreement cannot be reached, the Commission of the Department of Education, or designee, shall make a determination within 14 days of notice of the residency dispute and such determination shall be final. In the case of an unaccompanied youth, the Local Homeless Education Liaison shall assist the youth in the appeal process. A written explanation shall be provided to the parties of record and a copy of such explanation shall be kept on file by the

Department of Education. Any person aggrieved by the decision of the Commissioner may appeal the determination by a court of competent jurisdiction.

### **PARENT / GUARDIANSHIP**

The school administration should be notified, in writing, with specific instructions concerning parent/ guardian issues. Appropriate court/custody papers will be required for the file to enforce the situation.

### **TARDINESS**

Tardiness is a very serious concern at Moore School. We appreciate your cooperation in trying to make arrangements that will allow your child to arrive before classes start and to remain in class until school is dismissed.

**Students will be marked tardy if they are not in their homerooms by 8:15 AM.**

According to RSA 193:2, children are to attend school “*during all the time public schools are in session.*” The issue of excessive tardiness and absences has also become a concern of the court, local law enforcement, and community service agencies.

Any student arriving at school after 8:15 AM must **report to** the main office.

## ***IV. ACADEMIC INFORMATION***

### **CURRICULUM**

Copies of district curricula are available in the school Media Center and on the School District website, <http://www.sau15.net>.

### **HOMEWORK GUIDELINES**

Current educational research indicates that homework adds the greatest value to the educational process when it relates directly to work at school, enlists the support of families as part of the valuable home-school connection, and can support students in acquiring or enhancing essential learning skills and in developing effective work habits.

Homework is never to learn material the first time around. Homework is seen as practice not busy work.

Research also indicates that many children complete homework most successfully with clear time frames and guidelines for completion. At home, this may mean having a designated homework time and area.

As an extension of the classroom, homework must be completed in a timely manner, organized and accurate. (CSD File: IKB).

We discourage sending work home while the child is ill. Opportunities to complete missing assignments due to illness or absence will be provided as necessary.

To assist with homework completion, please:

- set aside a daily time when homework is to be done. If no homework assigned that evening, the student should read during that designated time.
- allot adequate time, with follow ups on progress
- confirm the assignment which is due by checking the assignment book or the web page reference.
- provide tools – paper, pencils, etc.
- set appropriate time limits, i.e. approximately ten minutes per grade level.
- prohibit distractions, e. g. listening to TV or radio during the study time
- assist by explaining, and verifying assignment has been completed

Please refer to the middle school section in this handbook regarding additional homework responsibilities for middle school students.

## **PARENT / TEACHER CONFERENCES**

An annual Parent/Teacher Conference Day is scheduled within the first marking period. Teachers are also available throughout the school year for individual conferences. Please feel free to arrange an appointment that is mutually convenient anytime during the school year.

## **PROGRESS REPORTS AND ACADEMIC ACHIEVEMENT**

Multiple forms of assessments are employed by the Candia School District. They include but are not limited to:

- Mid-quarter Progress Reports
- End of quarter Report Cards
- Math Benchmark Assessment
- NorthWestern Education Assessment (NWEA),
- DIBELS* (Dynamic Indicators of basic Early Literacy Skills) in grades K-6
- Mandatory state-wide assessments: *Smarter Balanced, grades 3-8, NECAP Science, grades 4 and 8.*

Primary grade levels may replace the first progress report with a parent conference.

*Parents are strongly encouraged to contact teachers should they have concerns about student grades.*

## **PROMOTION AND RETENTION**

All students will be provided with a wide range of resources to meet their individual needs, and as such promotion to the next grade is our expectation.

Students who may be failing two or more subject areas in grades six through eight will be considered to be at academic risk and may not be promoted to the next grade level. Please be sure to check PowerSchool for the latest information regarding your child's grades and contact the classroom teacher(s) or teams for a parent/teacher conference as soon as possible.

## **REPORT CARDS**

Report cards are issued three (3) times per year for kindergarten students, four (4) times per year for grades one through eight.

Report cards should be signed and returned to your child's teacher promptly.

Grades will close one week prior to the issuance of report cards.

The school's website will provide the exact dates for the closing of each term.

## ***V. Non-Instructional Procedures***

### **ANIMALS/PETS IN SCHOOL**

Unauthorized animals are not allowed in the school building or on the school grounds. (CSD File: IMG)

### **BICYCLES / SCOOTERS/ SKATEBOARDS/ ROLLERBLADES/HOVERBOARDS**

At parental discretion, students in grades 5 through 8 may ride bicycles to school. A written parental permission must be on file prior.

Please note bike helmets are required for bicycle riders under 16 years of age (NH RSA265:144x). This is a violation subject to fine. Students arriving at school without helmets will not be permitted to ride their bikes home and parents will be notified.

Skateboards, scooters, roller blades and hoverboards are not to be used on school grounds, and it is highly recommended that they **not** be brought to school.

Skateboards are not permitted on school buses.

**The school cannot be responsible for any lost or damaged skateboards, scooters, roller blades, or bicycles.**

## **Bullying**

Henry W. Moore School continues to develop procedures in accordance with the revised Pupil Safety and Violence Prevention Policy (CSD File: **JICK**) adopted by the School Board on December 2, 2010. This policy was developed based on House Bill 1523. The House Bill revises the statute on Pupil Safety and Violence Prevention Policy to include harassment, intimidation, bullying, and cyberbullying.

Please refer to the Appendix to review the Candia School District Policy (CSD File: JICK) in its entirety.

### **BUSING / BUS STOPS / ROUTING**

Bus transportation is provided for those students living one mile or more from school or where an unusual, obvious danger to a student walking to school exists.

The SAU Administration and the bussing contractor establish bus stops. Students may be required to walk up to 6/10 of a mile to their bus stop.

**The school is not responsible for student behavior at bus stops.** This is primarily a parent and neighborhood responsibility. Once a student boards a bus, and only at that time, does he/she become the direct responsibility of the school district. This responsibility ends when the student is delivered to the regular bus stop at the close of the school day.

Students must take their assigned bus. Students, who wish to get off the bus for any reason or wish to go somewhere other than home, **must have a written note, signed by the parents, to this effect.** Notes with specific dismissal changes must be presented to the office at the beginning of the school day. In the event of an emergency telephone calls to change bus plans will be accepted until 1:00 pm on the day of the change. The end of the day is a busy time; please plan accordingly for the safety of your child.

In view of the fact that riding a school bus is an extension of the classroom, the District shall require students to conduct themselves on the bus in a manner consistent with established school and statutory standards, including, but not limited to RSA 155, Smoking on School Property, RSA 126-I, Tobacco Products Ban, RSA 193:B, Drug Free School Zones, and CSD File: JICI, Weapons in School.

In cases where a student does not conduct him/herself properly on the bus, the bus driver will implement bus discipline procedures.

Busses are now equipped with monitoring equipment (cameras).

***Please remember not to pass busses when their lights are flashing.***

## **BUS CONTACTS**

The Candia School District has contracted with Student Transportation of America (STA – formerly Goffstown Trucking Co) to provide bus transportation for its students. Below are the contacts and phone numbers we would like parents to follow in the event an issue occurs:

- |        |  |
|--------|--|
| Step 1 | Call STA at 222-2248, or via fax at 222-9019 to report the issue.  |
| Step 2 | If a resolution cannot be reached, contact the Assistant Principal at Moore School. Please have necessary information ready to communicate (i.e. who/what was involved; who was spoken with) |
| Step 3 | All other questions/concerns should be directed to the SAU 15 Business Administrator, at 622-3731 ext. 11.   |

## **BUS DISCIPLINE PROCEDURES**

First Wrongdoing: Managed by the bus driver. Incident noted in bus driver log.

First Write-Up: Consequences will range from a verbal and written notification to parents/guardians up to a three(3) day suspension of school bus privileges.

Second Write-Up: Parental meeting with the bus driver and school administration.

Consequences may include up to a three (3) day suspension of school bus privileges.

Third Write-Up: Parental meeting with the bus driver and school administration. Consequences will range from a three (3) to five (5) day suspension of school bus privileges.

Fourth Write-Up: Parental meeting with the bus driver and school administration. Consequences will range from a five (5) to ten (10) day suspension of school bus privileges.

Fifth Write-Up: Parental meeting with the bus driver and school administration will occur immediately. Student will have school bus privileges suspended for the remainder of the school year. Within two school days, the student's parents may request to meet with the Superintendent or designee to appeal the decision. Should the principal's or designee's decision stand, the suspension will remain in effect. The parent may then request to appear before the Candia School Board to seek a restoration of bus privileges. Should privileges be restored and another write-up occur, bus privileges will be revoked for the remainder of the year.

In accordance with RSA 189:9-A, a bus suspension is not to be interpreted as dismissal from school. Should a bus suspension occur, transportation to and from school becomes the responsibility of the parents. Failure to be transported to school privately on bus suspension days will result in the administration contacting the Candia Police to file a truancy report.

**FOR THE SAFETY OF ALL, THE FOLLOWING RULES WILL BE OBSERVED WHILE RIDING THE BUS:**

We believe it is imperative to provide all students with the best possible environment for learning, and we feel this dress code helps promote that environment. The administration will make the final decision as to what is or is not appropriate. If you have any questions regarding the school's dress code, please do not hesitate to contact administration at your earliest convenience.

## **EXTRACURRICULAR ACTIVITIES**

After-school activities will begin at the 3:00 pm bell. Start times for athletic events will be noted on the schedule given to team members. All activities will be posted in the calendar on the school website at: <http://www.candia.sau15.net>

Students are encouraged to attend after-school activities providing they have attended school that day. Students must attend school **from the opening bell to 11:30 am or from 11:30 to 2:45 pm** to participate in an after school activity. Absences are still marked as a half-day on grade reports.

Students, who wish to stay, need a note signed by a parent or guardian giving permission to stay for the event. The note must indicate that transportation home will be provided. These notes must be turned in to homeroom teachers in the morning.

Students are not allowed to leave school grounds. Appropriate school behavior is expected at any extracurricular activity and all school rules remain in effect.

Extracurricular activities may include dances, chess club, walking club, intramural activities, athletics, Student Council, Yearbook, Drama, PTO sponsored activities, etc. Dates, times and locations will be posted on the school website.

**Students who are failing two or more academic subjects at the time of the activity will not be permitted to attend extracurricular activities. Any students who are suspended from school on the day of an extracurricular activity may not participate in, nor attend the activity.**

## **FIELD TRIPS**

The school encourages field trips as a means of helping students learn as much as possible about the world in which they live. Field trips represent part of the overall academic program, when available. Teacher and student preparation and follow-up are essential to each trip's success in order to translate experiences into learning.

Before each trip, a permission slip will be sent home. This needs to be filled in, signed, and returned to the school before a student can be allowed to go on a trip. Teachers and parent chaperones are assigned to each trip to provide adequate supervision. Parent participation is welcome.

### ***Local Field Trips***

Local field trips are defined as 'within walking distance of the school' (i.e. firehouse, Smyth Public Library and pond, CYAA Field House/off-site evacuation, etc).

A permission slip will be sent home at the beginning of every school year regarding local field trips. A copy of the permission may be found in the appendix.

### **HOLIDAY OBSERVANCES / SCHOOL PARTIES**

Holiday parties are held in classrooms three times per year for Fall Harvest, Winter Holiday, and Valentine's Day. These observances can include food based celebrations.

### **INSURANCE**

The Candia School District does not provide accident insurance for individual students.

Student insurance is made available to all students at a reasonable cost to the parent. This information is provided with the beginning of the year/forms packet. It is also available in the school office.

### **LOST AND FOUND / PERSONAL PROPERTY**

Please mark your child's name in/on all belongings (i.e. jackets, sweaters, hats, boots, lunchboxes, etc.) If your child has lost any possessions, have him/her check the "Lost & Found" in the school's foyer.

Any money sent to school with your child should be placed in an envelope with the child's name on it.

Items of value should *not* be brought to school. If any of these items are brought to school, it is at the risk of the student and his/her parent/guardian. Students are strongly cautioned to keep all valuables, wallets and purses, money, jewelry, etc. on their person at all times. They should not leave anything of value in their desk or locker. The school cannot accept responsibility for lost or stolen articles. Unclaimed items are donated to charity.

### **PARENT TEACHER ORGANIZATION (PTO)**

The mission of the Candia PTO is to create a safe and nurturing environment, which provides each child the opportunity to develop to his or her fullest potential. This is done through partnerships with parents, staff, teachers and community members.

The Candia PTO plays a vital part in providing resources and programs that extend to opportunities for teachers, students and families. The programs supported each year by

the Candia PTO include, Read Across America Week, Artist in Residence, Drama Guild, Popcorn Days, After School Crafts, Movie Nights, Spirit Day and the Holiday Gift Shop.

The Candia PTO encourages all parents and teachers to become members and get involved. The Candia PTO meets monthly on the first Wednesday of each month at 7pm in the Music Room at Moore School.

### **STUDENT PHOTOGRAPHS FOR PUBLICATION**

Parents should be aware that students in the school are, on occasion may be featured in newspaper articles and/or in photographs or photographic presentations. Students may also be featured on the school's web site. A Release of Information Form is given as part of the initial registration package. This form allows parents to indicate whether they **do or do not** wish their child to be featured in any print or web page media presentation.

This Release of Information Form will remain in effect throughout your child's enrolment or until the parent/guardian notifies the school, in writing, of a change. The Release of Information Form is available in the appendix.

## **VIDEO AND AUDIO RECORDING FOR INSTRUCTIONAL PURPOSES**

September 1, 2016

Dear Parent/Guardian:

In the past, we have been able to make video and/or audio recordings of classroom activities for instructional purposes. With the passage of a new law, we are now required to request your permission to record a classroom activity in which your child may be participating. RSA 189:68, IV, states: "No school shall record in any way a school classroom for any purpose without school board approval after a public hearing, and without written consent of the teacher and the parent or legal guardian of each affected student."

There are many reasons why educators would use or allow the use of recordings in classrooms. Some of these valuable uses include, but are not limited to:

- Video or audio recording as part of an instructional lesson or practice;
- Recording classes when students are absent or unable to take notes;
- Student practice work in a photography and videography course;
- Recording a speech therapy session to evaluate a student's progress;
- Creating a video presentation as part of any academic class;
- Videotaping student teachers for teacher education coursework;
- Videotaping a drama class (play) or music class for instructional purposes; and/or
- Instructional or assessment support for students with disabilities and/or students needing accommodations.

The Candia School District recognizes that video and/or audio recordings of classrooms can serve many valuable purposes that align with our educational mission and program. The Candia School Board has adopted a policy that approves the use of video and/or audio recordings for educational purposes, with the prior approval of any affected students.

- A. Purposes for Which Written Consent is Required - The following conditions apply to video and/or audio recordings in classrooms.
  - a. If a teacher intends to video and/or audio record one or more students in his or her classroom, the teacher [or principal] must obtain written consent from the parent/legal guardian of each student who will be recorded
  - b. If a student or school official with a legitimate educational interest wishes to video and/or audio record a teacher or a student in a classroom, written consent must be obtained from the teacher who will be recorded and the parent/legal guardian of each student who will be recorded.
- B. Purposes for Which Written Consent is Not Required

- a. Written consent is not required for video and/or audio recordings made pursuant to an IEP or 504 Plan, when the IEP or 504 Team determines that such recording is necessary for the delivery of a free appropriate public education (FAPE) or to access an educational program.
- b. School recordings of any class, performance, competition, ceremony, instruction, presentation, orientation, training, assembly, or any other school sponsored event that occurs outside the physical confines of a classroom.
- c. School recordings of school grounds and facilities for security or other purposes.
- d. Recording on school buses as authorized by the School Board pursuant to RSA 570-A:2 (k)
- e. Recordings made in compliance with the District's FERPA Annual notice.

Note that Policy EEAB is on the back of this document and can also be found on the district website

### **CSD File: EEAB CANDIA SCHOOL DISTRICT VIDEO AND AUDIO RECORDING FOR INSTRUCTIONAL PURPOSES**

The Candia School Board is committed to the use of technology to enhance the education of its students. The Board acknowledges that video, digital video and audio recording ("recording") in the classroom may be useful for instructional purposes. In addition, there are times when live streaming, or internet access to digital video and audio recording are appropriate. For example, these technologies may be useful tools to provide access to students in remote locations, home-bound or hospital-bound students, or to permit a student to recover classroom instruction lost during an extended absence.

The decision whether or not to conduct video, digital video or audio recording for educational purposes shall be made in the first instance by the classroom teacher and their request and consent to recording shall be documented in writing and placed on file with the Principal. All such recordings shall be deemed the copy written property of Candia School District and shall not be reproduced without Candia School District's express permission. Recordings shall not be sold. Recording in the classroom for other than educational purposes is prohibited. Recordings made for instructional use are intended to provide information for pedagogical and scholarly study, and do not constitute educational records under the Family Educational Rights and Privacy Act (FERPA). Only the student(s) or instructor, on whose behalf a request for recording is made, will be granted access to that recording. The Principal may authorize others to view an existing recording on a case-by-case and as-needed basis.

Student recording as an accommodation in their Individualized Education Plan or Section 504 Plan shall not be deemed a school recording unless the recording is

conducted by the school on behalf of the student. All recordings made as an accommodation, or for instructional recovery or academic study shall be erased at the end of the semester or when they are no longer needed, whichever is the later event. If the classroom teacher wishes to preserve a recording for future instructional purposes, they shall seek permission from the Principal to preserve the recording.

No recording shall take place in a classroom without first securing the written consent of each adult student, or minor student’s parent or guardian. An adult student or parent who refuses consent for a class where recording is the curriculum, such as a television or broadcast journalism course, shall not be permitted to enroll in the course. This policy shall be reproduced in the next student handbook, and the parent or adult student’s written receipt of the handbook shall be deemed written consent to Candia School District’s use of video and audio classroom recording for instructional purpose unless the adult student or parent opts out of granting permission. Until such policy is reproduced in the handbook, this policy and a permission form shall be disseminated by the classroom educator when recording in their classroom is contemplated. The educator shall be responsible for garnering the adult student or parent’s written consent and placing the same on file with the Building Principal before recording may take place in the classroom. Candia School District reserves the right to reassign students to classes in accordance with their recording preferences.

This policy does not apply to the recording by Candia School District of events such as public concerts, graduation ceremonies, athletic events, and the like; all of which are not considered classroom recording. This policy has been adopted after a public hearing conducted by the Candia School Board.

**CANDIA SCHOOL DISTRICT**  
**SCHOOL DISTRICT INTERNET ACCESS FOR STUDENTS**

The School Board recognizes that technological resources can enhance student performance by offering effective tools to assist in providing a quality instructional program, facilitating communications with parents/guardians, teachers, and the community, supporting District and school operations, and improving access to and exchange of information. The Board expects all students to learn to use the available technological resources that will assist them in the performance of their education. As needed, students shall receive lessons and instruction in the appropriate use of these resources.

Students shall be responsible for the appropriate use of technology and shall use the District's technological resources primarily for purposes related to their education. Students are hereby notified that there is no expectation of privacy on district computers, computer files, email, internet usage logs, and other electronic data.

The Superintendent or designee shall ensure that all District computers with Internet access have a technology protection measure that prevents access to visual depictions that are obscene or pornographic and that the operation of such measures is enforced. The Superintendent or designee may disable the technology protection measure during use by an adult to enable access for bona fide research, educational or other lawful purpose.

The Superintendent shall establish administrative regulations and an Acceptable Use Agreement that outlines student obligations and responsibilities related to the use of District technology. He/she also may establish guidelines and limits on the use of technological resources. Inappropriate use may result in a cancellation of the student's user privileges, disciplinary action, and/or legal action in accordance with law, Board policy, and administrative regulations.

The Superintendent or designee shall provide copies of related policies, regulations, and guidelines to all students. Students shall be required to acknowledge in writing that they have read and understood the District's Acceptable Use Agreement.

**CANDIA SCHOOL DISTRICT**  
**ACCEPTABLE INTERNET USE PROCEDURES – STUDENTS**

**Purpose**

The purpose of the Acceptable Use Procedures is to provide the procedures, rules, guidelines, and the code of conduct for the use of technology and the Internet.

**Definition**

The definition of “information networks” is any configuration of hardware and software, which connects users. The network includes, but is not limited to, all of the computer hardware, operating system software, application software, stored text and data files. This includes electronic mail, local databases, externally accessed databases, CD-ROM, recorded magnetic or optical media, clip art, digital images, digitized information, communications technologies, and new technologies as they become available. Stand-alone workstations are also governed by this acceptable use procedure.

**The School District Services**

The School District provides resources for teaching and learning, communication services, and business data services by maintaining access to local, regional, national, and international sources of information. The School District information resources will be used by members of the school community with respect for the public trust through which they have been provided and in accordance with policy and regulations established by the School District. These procedures do not attempt to articulate all required for proscribed behavior by its users.

Successful operation of the network requires that all users conduct themselves in a responsible, decent, ethical and polite manner while using the network. The user is ultimately responsible for his/her actions in accessing network services.

**Guidelines**

1. Access to the networks and to the information technology environment within the District is a privilege and must be treated as such by all users of the network and its associated systems.
2. Information networks will be used for the purposes of research, education, and school-related business and operations.
3. Any system which requires password access or for which the District requires an account, such as the Internet, will only be used by the authorized user. Account owners are ultimately responsible for all activity under their accounts.
4. The resources of the District are limited. All users must exercise prudence in the shared use of this resource.

## **Unacceptable Use**

The District has the right to take disciplinary action, remove computer and networking privileges and/or take legal action, for any activity characterized as unethical and unacceptable.

1. Violates such matters as institutional or third party copyright, license agreements or other contracts. The unauthorized use of and/or copying of software is illegal.
2. Interferes with or disrupts other network users, services or equipment. Disruptions include, but are not limited to: distribution of unsolicited advertising, propagation of computer worms or viruses, distributing quantities of information that overwhelm the system, and/or using a District network to make unauthorized entry into any other resource accessible via the network.
3. Seeks to gain or gains unauthorized access to information resources.
4. Uses or knowingly allows another to use any computer or computer system to devise or execute a scheme to defraud or to obtain money, property, services, or other things of value by false pretences, promises, or representations.
5. Destroys, alters, dismantles or otherwise interferes with the integrity of computer based information and/or information resources.

11. Uses a District network for illegal harassing, vandalizing, inappropriate or obscene purposes, or in support of such activities.

## **School District Rights**

The District reserves the right to:

1. Monitor all activity. Notwithstanding FERPA and other related laws, students have no expectation of privacy regarding their use on the school district computer network.
2. Make determinations on whether specific uses of a network are consistent with these acceptable use procedures.
3. Log network use and monitor storage disk space utilization by users.
4. Determine what is appropriate use.
5. Remove a user's access to the network at any time it is determined that the user engaged in unauthorized activity or violated these acceptable use procedures.
6. Cooperate fully with any investigation concerning or relating to the District's network activity.

## **School District Internet Code of Conduct**

Use of the Internet by students and staff of the District shall be in support of education and research that is consistent with the mission of the District. Internet use is limited to those persons who have been issued District-approved accounts. Use will be in accordance with the District's Acceptable Use Procedures and this

### **School District Internet Access Release Form**

As a condition of my right to use the School District network resources, including access to the Internet, students understand and agree to the following:

1. To abide by the District Acceptable Use Procedures and Code of Conduct.
2. That District administrators and designated staff have the right to review any material stored on District computers in files and to edit or remove any material which they, in their sole discretion, believe may be unlawful, obscene, abusive, or otherwise objectionable and students hereby waive any right of privacy which I may otherwise have to such material.
3. That the School District will not be liable for any direct or indirect, incidental, or consequential damages due to information gained and/or obtained via use of the District's network resources.

7. In consideration for the privilege of using the School District network resources and in consideration for having access to the public networks, I hereby release the School District, its operators, and any institutions with which they are affiliated from any and all claims and damages of any nature arising from my use, or inability to use, the District network resources.

## **RECESS**

We feel that fresh air is very beneficial to growing children, but we will refrain from keeping them out for long periods during inclement or extreme cold weather.

All children will be expected to participate in outdoor activities unless excused for **medical** reasons. A letter from a physician is required.

Please see that your children come to school appropriately dressed for the prevailing weather condition including boots, mittens, etc.

Students do not partake in outside recess if the temperature or wind chill factor is 20 degrees or below.

## **SNACK TIME**

Students are able to snack throughout the day. We encourage nutritious snacks that are non-sweet, such as fruits, raw vegetables, crackers, cheese, etc. Milk and water as well as snacks are available for purchase through our cafeteria.

## **TEACHING ABOUT RELIGION**

**CSD File: IMBB**

The Candia School Board believes that the observance of religious holidays is not the responsibility of the public schools. Because a public school is not a place of worship, instructional materials, activities, decorations or assembly programs should not promote any religion. They should be seasonal, not religious.

Adopted: May 3, 2001

## **TELEPHONE**

Students are not to receive phone calls during school hours either through the main office or their personal cell phones. A message will be taken and given to the student so that he/she can call back at a convenient time. If the call is an emergency, arrangements will be made for the student to call back immediately.

The telephone in the office is for school business and emergencies only.

A pay phone is located in the corridor and may be used by students, if necessary, when participating in an after school program/activity only.

## **TOYS IN SCHOOL**

Parents are strongly encouraged to dissuade their child from bringing toys to school. Toys, including playing cards such as Pokemon and Magic, can be misplaced or broken, and can be a distraction to students. Although Moore School does not prohibit students from bringing toys to school, if they are used inappropriately, or during an inappropriate time, they will be confiscated and returned directly to the parent.

## **TRAFFIC / PARKING / STUDENT DROP-OFF PROCEDURES**

In order to provide safety for the children, our parking lot has been designed to route traffic entering and leaving the school area.

If you drive into the 'loop', please pull around as far as possible in order to allow additional vehicles space behind you.

If you need to exit your car, please park in a designated spot and **not** in the loop. Children are entering and exiting the lot with their parents, so please drive carefully!

Please follow the signs upon entering or leaving the parking lot area when dropping off and/or picking up students. Please pull up all the way in the student drop off lane. Also, please do not park in the traffic loop if you need to enter the school building. Instead, park your car in an available parking space.

Walkers and parent drop-offs should arrive no later than 8:15 AM and will be dismissed at 2:45 PM. ***Students must not arrive at school prior to 7:50 AM.***

*Please refer to **Early Dismissals** for more detailed information on Parent Pickup*

## **VISITORS TO SCHOOL**

**Anyone visiting the school must check in at the office when arriving, obtain a Visitor's Pass, and sign-out upon leaving.**

Children are not allowed to bring friends to school to visit during the school day, unless they have permission from the administration. While most often our visitors are well behaved, visits can distract our students from their learning activities. Liability and health requirements may also restrict visits.

## **VOLUNTEER PROGRAM**

The volunteer program welcomes volunteers of all ages for a variety of activities. There are many ways you can help. You may volunteer on a regular basis or just once a year. You may help in the classroom, run-off copies, or work at home. You may want to help at a school event, on a field trip, or in the media center. We appreciate any time you can give.

When you do volunteer, please remember to record your hours in the Volunteer Sign-In Book located in the office. Look for more information to be sent home at the beginning of the school year.

## **VI. SCHOOL PROGRAMS**

### **ACADEMIC SUPPORT PROGRAMS**

A variety of academic support programs are offered at the Henry W. Moore School. Support services in English Language Arts and Math are provided through Interventionists and the Reading Specialist. English Language Learner (ELL) services are also provided when necessary. Referrals for such services are made by teachers, parents, or others who may have concerns regarding a child's academic progress. The Minds in Motion program provides students an opportunity to extend their learning and critical thinking skills. The Guidance Program is also available to students in grades K-8.

### **ART, MINDS IN MOTION, MUSIC, PHYSICAL EDUCATION AND HEALTH PROGRAMS**

Homeroom classes are provided with a full compliment of Unified Arts (UA). Our UA teachers strive to integrate their programs with classroom instruction as appropriate.

Each child is required to participate in the physical education program on a regular basis unless the school receives a written excuse from a doctor stating the reasons why the pupil should be excused. For safety reasons, it is the student's responsibility to wear sneakers for gym.

### **CO-CURRICULAR ACTIVITIES**

Students in the various grades have the opportunity to participate in co-curricular activities such as Athletics, Intramurals, Student Council, Chorus, and Band, providing they are academically eligible.

Refer to Athletic Teams and Activities, item 3: Academic Eligibility

### **COMMUNITY OFFERINGS**

The community of Candia also offers many other activities for students. These include Girl Scouts, Cub Scouts/Boy Scouts, as well as soccer, baseball, softball, and basketball programs through the CYAA.

### **EMERGENCY MANAGEMENT TEAM (EMT)/SAFETY TEAM**

The Henry W. Moore School has established an Emergency Management Team to organize and coordinate an appropriate response to any crisis that may have emotional or physical consequences for the student and faculty population.

The EMT does not focus attention on personal/confidential matters and will not respond to these issues among students or faculty. Rather, the EMT is designed to manage public situations, which may have either a short or long-term impact on the entire student body or staff. These situations include, but are not limited to, the following:

death or serious injury of a staff member or student; death or serious injury of a famous political individual; community, environmental or natural disaster emergencies; violent act in the school or community which may have an immediate impact upon the student body and school staff.

Schools are required to conduct various 'emergency drills' during the course of a school year (i.e. fire, intruder, lockdown, off-site, etc). Most 'drills' are contained on site. However, an 'off-site' drill is exactly that. We need to move students away from school premises either by bus or walking.

## **HOT LUNCH PROGRAM**

Students are provided with lunch and recess time milk each school day (including half days). School breakfasts and hot lunches are available for purchase.

The lunch program uses the computerized WinSnap program. It is a program that uses your child's four-digit library ID number at the point of sale. We would greatly appreciate it if you could send in checks for multiple meals, i.e.: monthly/weekly. You can specify where you would like the monies applied (lunch, milk or snack, etc). You will be notified when the account has a low balance. Prices are listed below and are subject to change during the school year. If accounts have a balance due, an alternate lunch may be provided e.g. cheese sandwich.

Breakfast: 1.25/day

Lunch: \$2.50/day

Milk: .50/day

Applications for Free or Reduced price breakfast/lunch are available through the office or the Lunch Director at any time. This information is kept strictly confidential. If you have any questions about the program, please do not hesitate to contact the Lunch Director at Moore School.

For additional information please see the webpage at [www.candia.sau.15](http://www.candia.sau.15). Click the Students and Families tab, then Nutrition Services.

## **LIBRARY/MEDIA CENTER**

All students enrolled in the school are entitled to borrow materials from the library.

Overdue items must be returned, paid for, or accounted for prior to the issuance of additional library materials.

Library reference books are to be returned to the library no later than 2:15 PM of the same day that they are borrowed, unless other arrangements have been made with the Media Specialist.

Library books that are damaged, lost, or destroyed are to be paid for by the student who has signed them out. The price is determined by the Library's records and is to be paid to the "Henry W. Moore School." Students who owe a library book at the end of the school year are expected to return it or pay for it.

## **STUDENT SERVICES/SPECIAL EDUCATION**

The Henry W. Moore School offers a broad continuum of services to support our students with specific learning needs. These include, but are not limited to, guidance services, special education services, related services (such as occupational therapy, physical therapy, and speech and language therapy), as well as positive behavioral interventions and supports.

If an educational disability is suspected, a referral to the school team can be made either school staff, parents or other providers. Referral forms are available through the Student Services office, and should be provided in writing. filled out, in order to determine what types of supports a student may need in order to be successful. Referrals should be provided in writing, and sent to the Director of Student Services, Henry W. Moore School, 12 Deerfield Road, Candia, NH 03034. For further questions or concerns, please contact our office at (603) 483-5628. (See Appendix for Notice of Rights Pursuant to 186-C: 16-b.)

## VII. MIDDLE SCHOOL PROGRAM GRADES 6-8

As students move through grades 6-8, there are predictable physical, intellectual, and social/emotional changes you can expect:

### Physical

- Between the ages of 10 –15, expect student to grow anywhere from 10-20”, and gain 40-50 pounds. This may cause real physical pain for some adolescents.
- Rapid growth changes the nutrition and appetite demands requiring healthy food choices.
- Physical development and hormonal changes can result in varying comfort-levels for adolescents.

### Intellectual

- Students in grades 6-8 are transitioning through the stage of “concrete thinking” to a more abstract/complex way of viewing the world. However, only about 10% of them are abstract thinkers by the end of 8<sup>th</sup> grade.
- At this age, students are insatiably curious about their world, and are especially concerned with how situations will affect them and their friends.
- Students in middle school are idealistic, becoming aware of and open to many new points of view.

### Social/Emotional

- At this age there is an ongoing struggle between the need for parental support and affirmation and the need to assert independence. Clear and consistent guidance and boundaries are critical.
- To middle school students, peer influence and social acceptance is paramount. This may manifest itself in a preoccupation with popular music, TV, video games, fashion, and even behaviour.

The on-going challenge to find one’s own identity and to maintain self-esteem absorbs and affects every aspect adolescent life.

**ALGEBRA**

Student performance on an algebra aptitude test may be used in determining whether a student qualifies for an individual advanced math plan that includes Algebra. Components of Algebra are taught to all students through regular instructional programming.

**ATHLETIC TEAMS, ACTIVITIES AND ELIGIBILITY**

Student safety is among the highest of priorities at the Moore School. The Candia School Board has been concerned with the growing number of head injuries and concussions that occur in school sports. As a result the Board has adopted a comprehensive policy to help keep our children safe. A copy of the policy can be obtained through the school and SAU 15 offices. Please read the rules from the policy below:

**Candia School District Concussions and Head Injuries Policy CSD File: JLCJ**

**A concussion** is a traumatic brain injury that changes the way the brain normally works. Concussions and head injuries may affect student’s abilities to learn and function in various settings. Young children and teens are more likely to get a concussion and take longer to recover than adults. The Candia School District Policy regarding head injury and concussions directs School Administrators, Athletic Directors and Coaches to follow the guidelines set forth by the American Medical Association and the American Academy of Paediatrics. Those guidelines are as follows:

One concussion	Out of the game until medically cleared
Two concussions	Out for the season
Three concussions	Out for school career

**Protocol For Return To Play**

No member of a school athletic team shall participate in any athletic event or practice the same day he or she is injured and:

1. Exhibits signs, symptoms or behaviors attributable to a concussion; or
2. Has been diagnosed with a concussion.

No member of a school athletic team shall return to participate in an athletic event or training on the days after he or she experiences a concussion unless all of the following conditions have been met:

1. The student no longer exhibits signs, symptoms or behaviours consistent with a concussion, at rest or with exertion;

2. The student is asymptomatic during, or following periods of supervised exercise that is gradually intensifying; and
3. The student receives a written medical release from a licensed health care provider
4. The student-athlete shall also present written permission from a parent or guardian to return to play.

The District may limit a student-athlete's participation to "Graduated Return to Play" standards and protocol, as determined the student's treating health care provider.

### **Sports at the Moore School**

Interscholastic sports are offered in the areas of Cross Country, Soccer, Basketball, Baseball, Softball, and Track & Field. The following is a copy of the Interscholastic Sports Regulations:

1. All students must have a physical on file with the nurse that is less than two years old. Parents are responsible to make the school authorities aware of any physical or other conditions which could/should limit a student's participation since the last examination.
2. After an athlete becomes a team member, he/she receives a contract outlining all rules and regulations pertaining to that sport. Students and parents/guardians must sign the contract and return it to the coach. They may not play in a game until this form has been turned in. Athletes will not be allowed to try-out or practice until the results of this examination are recorded with the school nurse.

**Note:** *Any injured student* excused from practice for three or more days while under a physician's care must provide written authorization from that physician and the parent or legal guardian in order to resume practice.

### **Eligibility for Play**

1. All students will be expected to be academically eligible to participate in any sports program.
2. No student will be permitted to try out for a sport at the beginning of the season if they are failing any class (including Unified Arts) at the time of tryouts.
3. At the time of the progress report or report card, if an athlete has a failing grade in **any class (including Unified Arts)**, the athlete will be placed on academic probation for two weeks. The athlete will be allowed to play and practice during that time.

-If the student is passing all classes the probation period will end.

-If, at the end of the probation period, a student is not passing all classes, he/she will be removed from the team.

-At the time of the progress report or report card, a student is failing three or more classes, he/she will not be able to attend practices or games until **all** grades are passing within the to week probation period.

4. Athletes will attend all practices and games unless they have a valid written excuse.
  - Detention, suspension, non-attendance, and extreme tardiness will be considered as cutting practice/games. ***Once an athlete has two or more cuts from practice/games, he/she may be suspended from the team for a period of time. If a student has a detention, in-school or out of school detention on the day of a game, he/she may not participate in the game or practice***
  - At the discretion of the administration and the athletic director, students who have accrued several detentions in a marking period may be suspended from the team.
  - Unless a student has a legitimate excuse, he/she must be in attendance at school on the day of a game. The administration will make determinations and final decisions.
  
5. Smoking, drinking of alcoholic beverages, and/or use of other than prescribed drugs will be prohibited. Failure to comply will result in immediate suspension from the team.
  
6. If a student is suspended either internally or externally, he/she may not participate in the athletic program during the suspension period.
  
7. It is strongly recommended that parents/guardians, of any participating student(s) in interscholastic sports activities, secure proper insurance.
  
8. Students may submit, in writing, requests to have their playing eligibility reviewed by an appeals board. An appeals process will be developed with recommendations given to the Principal, Assistant Principal, Athletic Director, Coach and Teachers.
  
9. Middle school students wishing to attend home sports games will need written permission the day of the event.  
  
**Please - No phone calls home to obtain permission will be permitted the day of the game.**
  
10. Student athletes must come prepared for practices and games. They will not be allowed to call home for gear.
  
11. Students must attend school **from the opening bell to 11:30 am or from 11:30 to 2:45 pm** to participate in sports events or practices.

12. Many practices and games are held at the CYAA. Transportation is provided from the school to the CYAA, however, if a child misses the bus, it is the responsibility of the parent and child to make alternate arrangements to attend the practice or game.

Sports Schedules, try-out forms and directions to away games are posted on the school website at: [candia.sau15.net](http://candia.sau15.net) under our *school, departments, and athletics*.

Participation in athletics will be recognized annually.

## **COMMUNICATION**

Communication with parents is important to continue student success. The middle school staff strongly encourages your involvement and participation. It is vital that if you have a concern regarding your child that you contact your child's teacher as soon as possible.

Multiple opportunities will be provided throughout the year to communicate to parents the programs occurring at the middle school level and to showcase student work.

Progress notes and Report Cards are distributed four times per year for a total of eight reporting measurements of student progress. Parents are given access to Powerschool to monitor student grades, assignments and attendance. If there are any technical issues accessing Powerschool, please contact the Technology Director at 483-2251.

## **HOMEWORK**

As mentioned earlier in the handbook, homework for middle school students is an extension of the classroom.

Grade Six—60 minutes per night.

Grade Seven--70 minutes per night.

Grade Eight—80 minutes per night.

- Daily reading of 15-20 minutes
- Daily assignments
- Segments of long-term projects

Parents should let teachers know if their son/daughter is doing significantly more than two hours of homework per night. A quick indication in the assignment book is sufficient to alert the classroom teacher that assistance is needed to finish the assignment.

Students are expected to maintain an up-to-date assignment notebook. In addition, assignments will be written on the blackboard, and posted on the school's website. Students will need to have their assignment notebooks with them at all times. We ask parents to initial each homework assignment as an indication they have seen it.

Homework finished in school should be brought home for parent initialling.

## **PLAGIARISM**

Plagiarism is defined as copying work from another and claiming it to be one's own. This behavior is not acceptable. Any student found to have plagiarized will be assigned a zero for that assignment without opportunity for make up, and parents will be notified.

## **HONOR ROLL**

Scholastic achievement is recognized each quarter with the publication of the honor roll. Students in grades 6-8 are eligible for the honor roll, which is divided into three sections:

- Principal's List - Students must attain straight A's in all subject areas (including Unified Arts).
- Honor Roll - Students must attain A's and B's in all subject areas (including Unified Arts).
- Honorable Mention – Students must attain A's, B's, and one C in all subject areas (including Unified Arts).

Any student receiving a D or F in any area may not qualify for honors.

Eighth grade students achieving the highest numerical average, as a result of their work in the sixth, seventh and eighth grades will be named class Valedictorian and Salutatorian.

Academic programs may be altered to meet individual student needs.

## **LATE WORK**

### ***Classwork and Homework:***

10 points or 10 percent will be deducted each day an assignment is late until the grade reaches a 50% at the end of five school days. No grade lower than 50% will be assigned. If the assignment is not turned in, the assignment becomes a zero.

Teachers will accept completed classwork and homework assignments three weeks from the date the work was assigned. For example if an assignment was given on 2/6, the work must be handed by 2/24 to receive partial credit. The assignment must fulfill the requirements set forth by the classroom teacher.

A 0% is given only when a student refuses to complete an assignment.

### ***Retakes for long-term projects and summatives (quizzes and tests) only:***

If a student would like the opportunity to make corrections to a long-term project or retake a failed summative, the parent needs to write a note requesting to do so. The note must be attached to the original attempt.

Once the student submits the retake, the student needs to write a brief letter comparing the two. The two following questions should be answered – What is different between

the two assignments, and what did you learn as a result of redoing the work? The letter should be attached to the original and retake.

Corrections and retakes must be done within five school days unless other arrangements have been made with the teacher. However, no retakes will be allowed during the last week of the marking period.

If you have any questions regarding the requirements, please contact your child's homeroom teacher.

## **EXTRA CREDIT**

Extra credit work is, by definition, beyond or in addition to the regular course expectations. Every effort is made to deepen individual understanding or core concepts and to enhance skill acquisition. In some cases, extra credit work facilitates these objectives and may be offered at the discretion of the teacher. However, extra credit work is never used to offset missing work.

## ***STUDENT RECOGNITION***

A Student Recognition Assembly will be held at the end of the school year. Students will be recognized for:

- Honor Roll
- Attendance
  - No tardies
  - No absences

### Academic Awards

- Outstanding effort
- Academic Perseverance

Character Recognition Award

## ***GPA AWARD***

The Henry W. Moore School understands the work involved in keeping one's grades high. Students who have maintained a 90% or above grade point average for all three years of middle school (grades 6-8) will be recognized at their eighth grade graduation.

Refer to 'Honor Roll'

## VIII. HEALTH SERVICES

A full time school nurse is provided for the health needs of Moore School students. The nurse is also involved in those areas of the curriculum that focus on health and/or hygiene and safety. The nurse is available to perform required functions for students as listed below:

1. Annual hearing and vision screening;
2. Pediculosis (lice) screening when deemed necessary;
3. Maintain up-to-date cumulative health records on each child;
4. Assess and refer students in need of medical and dental care;
5. Assume responsibility, in the absence of physician, for the care of a student or staff member who has suffered injury or illness;
6. Observe students on a regular basis with regard to health, developmental, and emotional needs;
7. Investigate extended absences which are due to illness;
8. Advise and direct the exclusion and readmission of students in connection with infectious and contagious diseases.

The care of a sick child is a parental responsibility. If the child is ill, he/she is to be kept home. If a child becomes ill in school, care will be provided until a parent or parent designee can be contacted to pick up the child.

**Children will not be allowed to remain inside during recess or stay out of gym activities without a physician's written request.**

The parent should notify the school office if a child is going to be absent. Please notify the nurse if the child has a communicable disease (e.g. chicken pox, strep throat, scarlet fever, conjunctivitis, head lice, H1N1, etc.), or has suffered an injury or has an illness that requires accommodation during the school day.

The nurse's office is open between 8:00 AM to 3:20 PM.

- Except in cases of emergency, students must obtain a pass to go to the nurse's office. If the nurse is not in her office, students should report to the main office.
- Students and parents are requested to inform the nurse if any particular health problems which should be a matter of record, i.e. allergic reactions to bee stings, foods, etc.

### **MEDICATION**

If, under exceptional circumstances, a child is required to take any medication (prescribed or over-the-counter) during school hours, and the parent cannot be at school to administer the medication, only the school nurse or the principal's designee will administer such when the following conditions have been met:

1. There are written instructions signed by the parent/guardian and a licensed provider.
2. The instructions must include: The child's name, diagnosis, medication, dosage & route of administration, time schedule, purpose of medication,

- possible side effects, and termination date for administering the medication.
3. All medication, prescribed and/or over the counter, will be delivered to the school nurse, principal, or principal's designee by a parent or responsible adult.
  4. The medication must be in the current pharmacy bottle or an unopened over-the-counter container labelled by the manufacturer.
  5. When having prescriptions filled, please request a separate, properly labelled container for school use.
  6. The school nurse will document the quantity of medication delivered, keep the medication in a locked cabinet, and return unused medication to the parent.
  7. Possession and self-administration of epipens and inhalers (**ONLY**) allowed per HB 57 and 92.

Forms for use by parents and/or licensed providers are available from the school nurse. A copy can be found in the appendix.

Cough drops will be permitted as long as the student brings a note from parent to teacher. A teacher will supervise younger children's use of cough drops.

The student's parents must assume responsibility for informing the school nurse of any change in the child's health or change in medication. The school district retains the discretion to reject requests for administration of medication in school.

## **SELF-ADMINISTRATION OF MEDICATIONS**

Some physicians may recommend or prescribe that students' medications (e.g. inhalers, epipens, or insulin) be self-administered. If schools choose to authorize such self-medication, school nurses must monitor the overall situation to ensure safety of all students.

## **EPINEPHRINE ADMINISTRATION**

The school nurse may have and administer epinephrine for the emergency treatment of anaphylaxis (RSA 318:42). Anaphylaxis is a life-threatening allergic reaction to a bee, food item, etc. This law also applies to treating students who have never been previously diagnosed with anaphylaxis. The school has an Epipen on hand in the event that a child has a life threatening allergic reaction to an insect/food item and has no known history of this.

When students engaging in field trips require medications, responsible adults (teachers who are on the trip) need to be designated by the principal or designee to assist students in taking required medications. These adults must safeguard the medications, in original pharmacy bottles, during the trip. Parental permission is required in order for these adults to assist students in taking their medications.

A child, who has a known allergy requiring an Epipen injection, will need to be accompanied by a parent on field trips. In the event that a parent cannot attend the field trip, the school nurse or a designated substitute R.N. and/or teacher must attend.

## **IMMUNIZATION AND MEDICAL EXAMINATION OF STUDENTS**

### **New Hampshire State Law:**

Each child must have a complete physical examination within a one-year period before entry into school, including transfer students.

However, no medical examination shall be required of a child whose parent/guardian objects thereto, in writing, on the grounds such medical examination is contrary to his/her religious tenets and teachings.

Parents of students transferring to the Candia School District must present proof of meeting the physical examination requirement within 30 days of entrance. Failure to comply with this provision may result in exclusion from school for the child. Students must meet state immunization requirements on the first day of attendance.

A child shall be exempted from the above immunization requirements if he/she presents evidence from his/her physician that an immunization will be detrimental to his/her health. A child shall be excused from immunization for religious reasons upon the signing of a notarised form by the parent/guardian stating that the child has not been immunized because of religious beliefs.

Students must pass a physical every two years to be eligible for athletics. The results of this physical examination must be given to the appropriate school personnel. Any injured student excused from athletic practice for three or more days while under a physician's care must provide a written authorization from a physician to the coach to resume practice.

No child shall be excused from regular physical education except on the written notice of a duly licensed physician or on the written request of the parent/guardian.

#### Parent Notification – Certain Circumstances

If the Candia School District utilizes federal money to perform physical examinations or screenings on students, the District will annually notify parents/guardians of such physical examination or screening, except for vision, hearing, or scoliosis. (CSD File: JLCA)

A complete medical examination by a licensed physician upon or prior to entrance into the public school system and thereafter as often as deemed necessary by the local school authority.

#### **RSA 200:38-III**

Tuberculosis skin testing is no longer required for children in NH schools. However, for low risk groups it is recommended that Mantoux tuberculin testing be performed once during childhood coinciding with a routine health appraisal such as a preschool physical examination.

#### **RSA 200:38-I**

According to the NH Code of Administration Rules He-P 301.13 (a) "Every parent or guardian of a child to be admitted or enrolled in any NH public or non-public school or child care agency, shall, prior to his admittance, provide documentary proof to the admitting official of acceptable immunization of the child as specified in He-P 301.14.

I. A physician licensed under RSA 329 certifies that immunization against a particular disease may be detrimental to the child's health. The exemption shall exist only for the length of time, in the opinion of the physician, such immunization would be detrimental to the child. An exemption from immunization for one disease shall not affect other required immunizations.

II. A parent or legal guardian objects to immunization because of religious beliefs. The parent or legal guardian shall sign a notarized form stating that the child has not been immunized because of religious beliefs.

If you object to immunizations for religious reasons please call our school office immediately and our staff will forward an official NH Religious Exemption Form. This form must be notarized and returned to our office prior to the start of school.

The following policy on immunization has been established to comply with laws enacted by the New Hampshire General Court:

Students new to the District, not meeting the immunization requirements must present to the nurse of the school, prior to entrance, a written statement from a licensed physician that the immunization program has been started and the date of the completion of such program.

When it comes to the attention of the school nurse that a student is not fulfilling the requirements of immunization as lay down in a written statement from a physician, she shall notify the parents of the school's policy.

If the immunization requirements are not complied with, the child shall be excluded from attendance until the program of immunization has been completed or until a certificate is received from a licensed physician indicating that the child has met the requirements of RSA: 200.

If you have any questions, or we can be of any assistance, please call the school. You may also call the State of NH Department of Health and Human Services, Office of Community and Public Health, Immunization Program at 1-800-852-3345 x 4501, or 271-4501.

**XIX. NOTIFICATION OF FERPA RIGHTS and CHILD FIND  
for CHILDREN WITH DISABILITIES IN NEED of SPECIAL EDUCATION or 504  
SERVICES**

The Family Education Rights and Privacy Act (FERPA) affords parents and “eligible students” (students over 18 years of age or students who are attending a postsecondary institution) certain rights with respect to the student’s education records. They are:

- 1) ***The right to inspect and review the student’s education records within forty-five (45) days of the day the District receives a request for access.***

Parents or eligible students should submit to the school Principal/designee a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parent or eligible student of the time and place where the record(s) may be inspected.

- 2) ***The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or in violation of the student’s privacy or other rights.***

Parents or eligible students may ask the District to amend a record that they believe is inaccurate, misleading, or in violation of privacy or other rights. They should write the school Principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading, or in violation of their privacy or other rights.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise him\her of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- 3) ***The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.***

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A “school official” is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility.

Upon request, the District shall disclose education records without consent to officials of another school district in which a student seeks or intends to enroll or to other entities authorized by law.

- 4) ***The right to prohibit the disclosure of personally identifiable information concerning the student to recruiting representatives of the U.S. Armed Forces and its service academies,***

Unless the parent or eligible student requests in writing that the District not release information, the student’s name, address, and telephone number (if listed) shall be released to Armed Forces recruiters upon their request.

- 5) ***The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.*** The name and address of the Office that administers FERPA is:

**Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-4605**

## **XIX. Protection of Pupil Rights Amendment (PPRA)**

The Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. § 1232h; 34 CFR Part 98) applies to programs that receive funding from the U.S. Department of Education (ED). PPRA is intended to protect the rights of parents and students in two ways:

- It seeks to ensure that schools and contractors make instructional materials available for inspection by parents if those materials will be used in connection with an ED-funded survey, analysis, or evaluation in which their children participate; and
- It seeks to ensure that schools and contractors obtain written parental consent before minor students are required to participate in any ED-funded survey, analysis, or evaluation that reveals information concerning:
  1. Political affiliations;
  2. Mental and psychological problems potentially embarrassing to the student and his/her family;
  3. Sex behavior and attitudes;
  4. Illegal, anti-social, self-incriminating and demeaning behavior;
  5. Critical appraisals of other individuals with whom respondents have close family relationships;
  6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers; or
  7. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

Parents or students who believe their rights under PPRA may have been violated may file a complaint with ED by writing the Family Policy Compliance Office. Complaints must contain specific allegations of fact giving reasonable cause to believe that a violation of PPRA occurred.

**XIX. NOTICE OF RIGHTS PURSUANT TO 186-C: 16-b,  
THE STATUTE OF LIMITATIONS FOR SPECIAL EDUCATION CASES**

The state and federal special education laws (New Hampshire Revised Statutes Annotated Chapter 186-C and Title 20, United States Code, Sections 1400-1415) require that the school district offer a “free appropriate public education” to all educationally disabled children.

-32-

These statutes define educationally disabled children as children suffering from certain enumerated disabilities who are between the ages of three and twenty-one and who have not yet obtained a high school diploma.

A “free appropriate public education” consists of specially designed instruction and educationally related services in accordance with an “individualized education program” developed by the school district in consultation with the student’s parents.

If you suspect that your child is educationally disabled and qualifies for such special services, you may make a written referral requesting that the school district determine your child’s eligibility. Such referrals should be addressed to Special Education Director, Henry Moore School, 12 Deerfield Road, Candia, NH 03034, 603-483-2251.

The special education laws confer many rights and obligations upon parents and school districts regarding educationally disabled children. These include, but are not limited to, the following which are listed on Title 20, United States Code, Section 1415(b) :

1. Parents may examine all relevant records with respect to the identification, evaluation, and educational placement of the child, and the provision of a free appropriate public education.
2. Parents may obtain an independent educational evaluation.
3. The school district must adopt procedures to protect the rights of the child whenever the parents of the child are unknown or unavailable or whenever the child is a ward of the state. Such procedures may include the assignment of an individual who is not an employee of the school district or the state department of education, to act as a surrogate for the child’s parents or guardian.
4. The school district must give the child’s parents or guardian prior written notice whenever the district proposes to initiate or change, or refuses to initiate or change, the identification, evaluation, or educational placement of the child or the provision of a free appropriate public education. The school district must adopt procedures designed to assure that this notice fully informs the parents or legal guardian in their native language of all procedures available under Section 1415, unless it is clearly not feasible to do so.
5. The school district must adopt procedures which include the opportunity to present complaints with respect to any matter relating to the identification, evaluation, or educational placement of the child, or the provision of free appropriate public education to such child.

**XIX.** Whenever a school district receives such a complaint, the child’s parents or guardian shall have the opportunity for an impartial due process hearing which shall be conducted by an administrative hearing officer appointed by the state department of education. The hearing officer shall not be an employee of any agency involved with the education or care of the child. The administrative hearing officer’s decision may be appealed to U.S. District Court or to the New Hampshire Superior Court.

State law establishes short deadlines for requesting an administrative hearing and for appealing the hearing officer’s decision to the courts. According to New Hampshire Revised Statutes Annotated Section 186-C:16b, which became effective on May 1, 1992:

1. Any action seeking to enforce special education rights under state or federal law shall be commenced by requesting an administrative hearing from the state department of education within 2 (two) years of the date on which the alleged violation was or

- reasonably should have been discovered. However, any action against a school district to recover the costs of unilateral special placement shall be commenced by requesting an administrative hearing from the state department of education within 90 (ninety) days of the unilateral placement.
2. Where the parent, legal guardian, or surrogate parent has not been given proper notice of special education rights pursuant to Title 20, United States Code, Section 1415(b), including notice of the time limitations in N. H. Revised Statutes Annotated Section 186-C:16-b, such limitations shall run from the time notice of those rights is properly given. The state department of education shall make available a model notice of rights which school districts may use as one means of complying with this notice requirement.
  3. An appeal from the state department of education administrative hearing officer's decision to a court of competent jurisdiction shall be commenced within 120 (one hundred twenty) days from receipt of the decision. All such decisions shall be sent certified mail, return receipt requested.
  4. Any action under Title 20, United States Code, Section 1415 (e), seeking reimbursement from the school district for attorneys fees related to a request for an administrative hearing, shall be commenced within 120 (one hundred twenty) days from receipt of the state department of education administrative hearing officer's decision.
  5. Where a unilateral placement has been made without the school district of residence being offered a reasonable opportunity to evaluate the child and to develop an individualized education plan, reimbursement may not be sought from the school district costs incurred until the school district is given an opportunity to evaluate the child and to develop an individualized education plan.

For additional information regarding special education and the special education laws, please contact Special Education Director, Henry Moore School, 12 Deerfield Rd., Candia, NH 03034, 603-483-2251.

## **XIX. NOTIFICATION OF TEACHER QUALIFICATIONS – NO CHILD LEFT BEHIND**

As a parent of a student at Henry W. Moore School, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers, and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the NH Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the NH Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulation because of special circumstances.
- The teacher's college major, whether the teacher has any advanced degrees, and if so, the subject of the degrees.
- Whether any teacher's aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please call the Principal at 483-2251.

**XIX. CANDIA SCHOOL DISTRICT**  
**SCHOOL DISTRICT INTERNET ACCESS FOR STUDENTS**

The Internet is a global web of computer networks, not governed by an entity, with no inherent limits or checks on the kind of information maintained by, or available to users.

Internet access is available to students and teachers in the Candia School District. Our goal in providing this service is to promote educational excellence by facilitating resource sharing, innovation, and communication.

Because of its enormous size, the Internet's potential is boundless. However, with the great potential for education also comes some potential abuse. Because access to the Internet provides connections to other computer systems located all over the world, users (and parents/guardians of users who are minors) must understand that neither the Candia School District nor any district staff member controls the content of the information available on these other systems. Some information may be considered objectionable and/or offensive and not be considered appropriate for use in the Candia Moore School. **The Candia School District does not condone the use of such materials.**

The use of our district's Internet connection is a privilege which carries with it certain responsibilities. Violation of these responsibilities will result in a cancellation of those privileges. Before being assigned an Internet account and a password, each student will meet with a faculty member to review the Acceptable Use Policy, learn about proper use of the network, and become familiar with etiquette. In addition, all users of the district's Internet connection must sign and return a copy of the Acceptable Use Contract.

The administration, faculty, and staff may request the system administrator to deny, revoke, or suspend specific user accounts.

**Purpose for Using the Internet**

The Candia School District encourages staff to utilize appropriate features of the Internet in order:

1. To provide resources that complement those available in the school district.
2. To teach students how to locate and use information for academic purposes and personal enrichment in a safe and responsible manner.

The Candia School District encourages students and staff to utilize appropriate features of the Internet for a variety of purposes, such as:

1. To facilitate scientific inquiry and data collection.
2. To enhance skills in reading and writing, especially in a foreign language.

3. To share information, experiences, and viewpoints with people in other geographic areas.

## **Code of Conduct**

When a person uses the Internet in the Candia School District, that person's behavior is visible to the general public. We require, therefore, that all users abide by accepted rules of network etiquette. These include, but are not limited to, the following:

  - Students shall not give out information pertaining to any other individual(s). This includes, but is not limited to, giving out someone's home address or telephone number.
  - Staff shall not give out information pertaining to another individual(s) except as may be appropriate in the normal course of fulfilling their performance responsibilities. This prohibition includes, but is not limited to, giving out someone's home address or telephone number.
4. **Respect the Access Rights of Others** – Do not use the account in such a way that it disrupts use by others.
5. **Report Suspicious Behavior** – Report any incident which is out-of-the ordinary or frightening, or any communication which may raise suspicions about someone's motives.

Behaviors that can result in either suspension/revocation of access privileges or school disciplinary action include, but are not limited to:

- Sharing passwords or using someone else’s password.
- Transferring, utilizing or storing material in violation of copyright laws or license agreements.
- Infringing upon the intellectual property rights of others in computer programs or electronic information including plagiarism and/or unauthorized use or reproduction.
- Trespassing in another’s folders, work, or files.

Involvement in these or any associated activities will result in disciplinary action being taken as set forth herein.

Additional conduct which is inconsistent with the intent of the Acceptable Use Policy may subject the user to suspension or revocation of access privileges and/or disciplinary action by the Candia School District.

### **Responsibilities**

Each user of the system shall assume full liability – legal, financial, or otherwise – for their actions when using Candia School District computer technology. Responsible use of Candia School District computer technology requires that users **not**:

If the contact is made to a home address for any purpose, illicit or otherwise, the student must notify a parent or guardian immediately.

The responsibility of the user is to familiarize himself/herself with and abide by the rules of the Acceptable Use Policy and make appropriate use of the available resources.

### **Copyrighted and Other Proprietary Materials**

**XIX. CANDIA SCHOOL DISTRICT  
ADDENDUM TO ACCEPTABLE USE POLICY**

In order to align electronic resources as closely as possible to the approved district curriculum, staff will provide developmentally appropriate guidance to students as they make use of telecommunications and electronic information resources to conduct research and other studies related to the district curriculum. All students and staff will be informed of their rights and responsibilities as users of the district network prior to gaining access to that network.

As much as possible, access to district information resources will be designed in ways which point students to those web sites which have been reviewed and referenced to others which have not been evaluated by staff.

During school, teachers will supervise students while accessing appropriate material and sites will be filtered via filtering software. Outside of school, families bear responsibility for such guidance, as they must also exercise with information sources such as television, telephones, movies, radio and other potentially offensive media.

Administration may review files and communications to maintain system integrity and insure that users are using the system responsibly. No one should expect that files stored on district servers would always be private. Temporary Internet files and Internet history logs are not saved on any desktop computer or servers in the district.

**CANDIA SCHOOL DISTRICT
