

Support Henry Moore School VEX IQ Robotics

Dear HMS Families,

If you are looking for fun things to do with your children on weekends, school vacations and during summer break, purchase The Fun Pass offered by the HMS VEX IQ Robotics. With The Fun Pass, you can save **up to \$2,000 at 100+ favorite New England family attractions**. In most cases, the coupon offers FREE or discounted admission for a child 12 and under when accompanied by a paying adult.

The Fun Pass costs only \$35, and easily pays for itself. Here is a sample of some of the coupons and the full list is on the back!

- **Story Land** (\$38.99 coupon) *this one coupon alone pays for the book!
- **LEGOLAND® Discovery Center** (\$23 coupon)
- **Edaville Family Theme Park** (\$37 coupon)
- **York's Wild Kingdom** (\$18.50 coupon)
- Several **Ski Mountains**, including **Loon, Gunstock & Waterville** (from \$42-\$76).
- **CoCo Key Water Park Boston North Shore**
- **Canobie Lake Park**

Your purchase will not only help HMS VEX IQ Robotics
it will also support Breathe New Hampshire's mission to promote lung health.
The Fun Pass is a great gift too!

Thank you for your support to Henry Moore School VEX IQ Robotics!
