March 13, 2023

Dear Parents,

Welcome to the Candia School District's Kindergarten Registration. We want to ensure that your child's experience at the Henry W. Moore School is a positive and successful one.

The Candia School District kindergarten program is a full day child-centered program developed to maximize each child's ability. Language experiences appropriate for each child's stage of literacy development underlies the entire program. The kindergarten curriculum aims to allow children to learn to take risks and solve problems, develop relationships, explore new concepts, acquire academic skills and knowledge, and enhance their physical, social, and emotional competence.

Children who will be 5 years old by September 30th may be registered for Kindergarten.

On **Wednesday, April 19**, at 6:30 p.m., we will be holding an information night for **parents of NEW Kindergarten** students who will be attending school in the fall. At this time, school staff will be available to share program overviews and answer questions. Please do not bring your child with you during this information night.

During Parent Information Night, we will begin the registration process. To better assist you with this process, the following information is necessary:

State law requires that all children entering public school have a physical exam within the last 12 months (completed after September 1, 2022). Students are also required to have an up-to-date immunization record. Both of these items must be on file at the school. Children will not be allowed to begin school if we do not have this information.

The following forms will be provided for you to complete:

- Pupil Information Record
- Race/Ethnicity Data Form
- Residency Affidavit
- Home Language Survey
- Kindergarten Questionnaire

Additional paperwork that is needed for a complete registration includes:

- Copy of your child's Birth Certificate
- Physical Exam Record (form provided by Dr.), including immunization record
- Proof of residency (attach to Residency Affidavit)
- Legal separation/divorce/custody paperwork (if applicable)

We are requesting that you complete this paperwork and return it to the office as soon as possible. You may drop the paperwork off in the black drop box outside the front door of the school at any time.

Students who are entering 1<sup>st</sup> grade in the fall and are not currently enrolled at the Moore School may be registered by obtaining a registration package from the Main Office or from our website ([candia.sau15.net](http://candia.sau15.net)). Children who will be 6 years old by September 30th will be enrolled in first grade.

We hope to make your child's entrance into school a pleasant experience for everyone. Please contact the school at 483-2251 if you have any additional questions.

Sincerely,

Becky L. Wing  
Principal
