February 11, 2025

Dear Parents,

Welcome to the Candia School District's Kindergarten Registration. We want to ensure that your child's experience at the Henry W. Moore School is a positive and successful one. The Candia School District kindergarten program is a full day child-centered program developed to maximize each child's ability. Language experiences appropriate for each child's stage of literacy development underlies the entire program. The kindergarten curriculum aims to allow children to learn to take risks and solve problems, develop relationships, explore new concepts, acquire academic skills and knowledge, and enhance their physical, social, and emotional competence.

Children who will be 5 years old by September 30th may be registered for Kindergarten. Children who will be 6 years old by September 30th will be enrolled in first grade.

On **Wednesday, March 19, 2025** at 5:30 p.m., we will be holding an information night for **parents of NEW Kindergarten** students who will be attending school in the fall. At this time, school staff will be available to share program overviews and answer questions. Please do not bring your child with you during this information night.

During Kindergarten Information Night, you will finalize the registration process. To better assist you with this process, the following information is necessary:

State law requires that all children entering public school have a physical exam within the last 12 months (completed after September 1, 2024). Students are also required to have an up-to-date immunization record. Both of these items must be on file at the school. Children will not be allowed to begin school if we do not have this information by the start of school.

The following forms will need to be completed:

- Pupil Information Record
- Race/Ethnicity Data Form
- Residency Affidavit
- Home Language Survey
- Kindergarten Questionnaire
- Student Health History

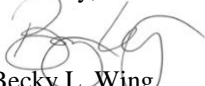

Additional paperwork that is needed for a complete registration includes:

- A copy of your child's Birth Certificate
- Physical Exam Record (form provided by Dr.), including immunization record
- Two items for proof of residency (attach to Residency Affidavit)
- Legal separation/divorce/custody paperwork (if applicable)

All forms can be found in our kindergarten registration packet on our website (<https://candia.sau15.net/registration-enrollment/>) or you can pick up a copy from the school. Office hours are 8:00am – 4:30pm. If you have a student in the school currently, we are happy to send the packet home with them. We are requesting that you complete this paperwork and return it on kindergarten information night or before. You may drop the paperwork off in the black drop box outside the front door of the school at any time. If you need copies made of birth certificates or other paperwork, we are happy to make those for you.

We hope to make your child's entrance into school a pleasant experience for everyone. Please contact the school at 483-2251 ext. 202 if you have any additional questions.

Sincerely,

Becky L. Wing
Principal
